GUEST - PUBLIC COMMENT (3 Minute Limit)

Raymond Sefzik asked what happened with the tunnel getting painted. We advised that we spoke with three painting contractors, two came out and said they were interested and would call with a quote and then we never heard from them again. We did receive approval from the County but unfortunately, we were unable to find a contractor.

Morris & Anthony Devos presented some pictures of garden arch's and asked which one Council liked for the park. The Council agreed on one so now the Devos's will be able to design something similar for Anthony's Eagle Scout project.

George & Heidi Brown were also in attendance to observe.

Letter from PennDOT stating that we will be receiving $2,361.26 addition for winter services for the 2025/2026 winter season.

Patti also brought up that there is a rumor going around that the Borough took the money from the Midway VFW for the Veterans Flags that they raised. She clarified that NO money went through the Borough, everyone who purchased a flag had to pay Chrome Graphics directly. The only thing the Borough was involved in was passing out the order forms and putting them up on the pole.
